I. Ontario Association of Certified Engineering Technicians and Technologists (OACETT)

Advance Your Technology Career: Join OACETT

Are you ready to elevate your career in the technology field and unlock exciting professional opportunities? In today's competitive landscape, standing out is essential. Joining the Ontario Association of Certified Engineering Technicians and Technologists (OACETT) can provide access to professional resources, networking opportunities, and development events.

Explore the benefits of student membership and find information about eligibility and services on the OACETT website.

II. Cisco Certified Network Associate (CCNA)

Build Your Networking Career with Cisco CCNA

Are you studying Computer Systems Technician and looking to strengthen your skills in information technology? The Cisco Certified Network Associate (CCNA) certification is a valuable way to demonstrate foundational knowledge of networking, connectivity, security, and modern IT infrastructure.

The CCNA exam covers network fundamentals, network access, IP connectivity, IP services, security fundamentals, and automation and programmability. Earning this certification can help you demonstrate practical networking knowledge to potential employers and prepare for opportunities in network administration, IT support, and related technical roles.

To earn the CCNA, candidates must pass the **200-301 CCNA** exam. Cisco lists no formal prerequisites. The exam lasts 120 minutes and the certification is valid for three years.

Visit the official Cisco CCNA certification page to learn more about exam topics, training resources, and scheduling.

III. Cost Breakdown

Certification	Cost
OACETT Student Membership	Confirm current student rate with OACETT
