## A MESSAGE FROM THE CSU PRESIDENT, TORI ARNETT

Hello, **Students of Cornwall Campus,**

I wanted to reach out to you and let you know exactly how CSU operates and what we can do for you.

Our Executive Team consists of:

**Executive Director: Craig** - This is the first face you see when you come into the CSU office. He facilitates all the background work in the office and keeps everything running smoothly. As the only full-time member of staff, he also ensures smooth transitions of student staff each year.

**VP of Communications: Cristina** - Cristina is a Computer Systems Tech student that had to tackle coming into a newly created position. She creates all the CSU communications and promotions you see from the CSU. She has overhauled our website, and completely updated our logos and social media.

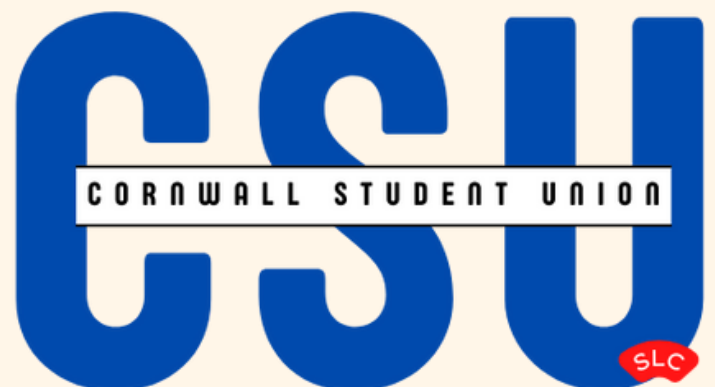

**VP of Student Life: Braydon** – Braydon is a Social Service Worker student. Braydon is in charge of creating, organizing and hosting all of the events we have on campus for you. The events to look forward to this semester are paint nights, movie nights, pub nights, game nights and Kahoot! Trivia each week.

**President: Tori** – I am a BSc Nursing student. I have been president of the Student Union for 3 years. This time I have advocated for you as a student body by speaking out to MPPs about OSAP, Mental Health, International Student Tuition, Housing Crisis, etc. I have idealized new initiatives such as updating our Prayer Room (A121), Planting a tree for Mental Health and starting the initiative for an outdoor gym (to be installed this spring).

The job of the Cornwall Student Union is to provide you with guidance with academic appeals, lockers, bus passes (*10 pass cards or monthly passes only*), and an incredible student lounge space with gaming consoles, TVs, gaming tables and more. But more than that we help facilitate the best student experience you can have. If you ever need us, please stop in, and ask for help. If we can't help you, we can guide you to who can.

As always,  
Stay healthy and Stay Safe!

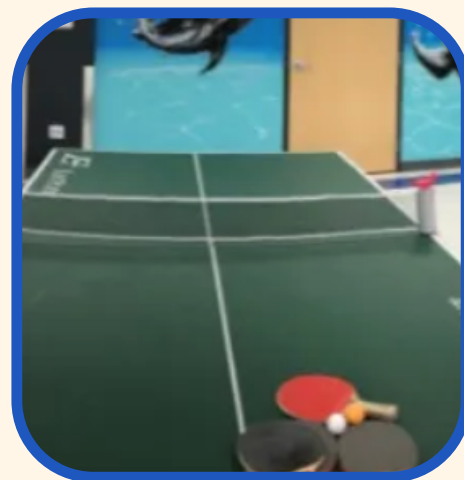

# THE CSU SHARK TANK

The CSU Shark Tank is where students can hang out, and play console games like PS5, Xbox, Nintendo Switch, board games, ping pong, pool, foosball, and carrom - all for free! Make sure to have your student card ready and we can lend you the keys to the board games and consoles. It's called a Shark Tank because the sharks are every where in the lounge. Don't worry, they won't bite! 😊

Shark Tank comprises a sitting arrangement for the students.

Students are welcome to come here with their friends for lunch or breaks.

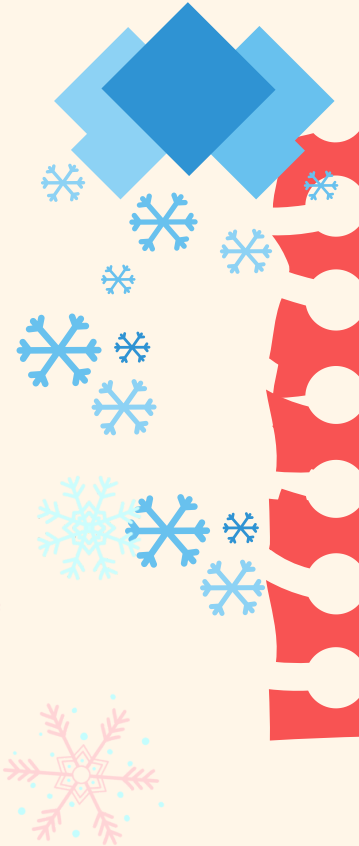

Students have access to services like Netflix, Disney+, etc. Students can watch movies, TV shows and much more.

It's a place to hang out, socialize and have fun. We do request students to be considerate and respectful to everyone using the space.

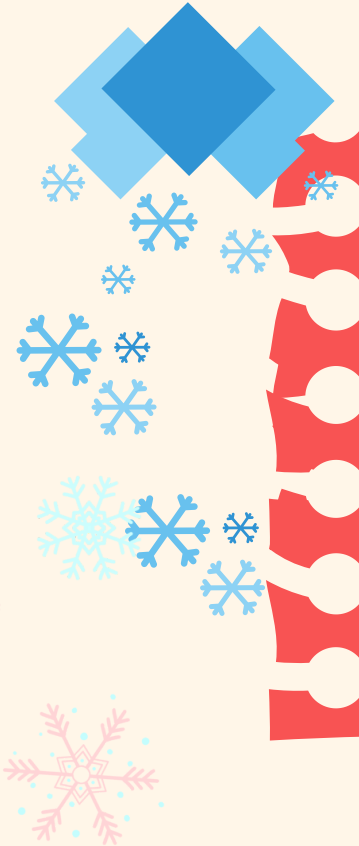

# ADVISORY

Attention ALL STUDENTS:  
In the absence of any notification from the college, that all students should check Blackboard for any course updates or announcements, as professors may make adjustments based on their personal circumstances.
