SIGNING CONTRACTS FOR HOME EQUIPMENT??

THIS MAY INCLUDE:

air conditioner, furnace
water purifier, air purifier
water softener, thermostat, etc.

CAUTION

- You may think the company is part of a government program when they are not.
- You may pay a lot more for your equipment.
- You may not be getting equipment that you need- water in Cornwall is of good quality, your equipment may not need to be replaced.
- A lien is often registered against the title of your property.
- You may be stuck with a 10 year contract.
- Your payments may go up every year.

BEST PRACTICES

- Don't sign anything right away.
- Take a copy of the contract and take a few days to review.
- Have a trusted person review the contract with you.
- If you sign a contract, you sometimes have 10 days to cancel the contract; Seek legal advice.
- It may still be possible to cancel the contract after the 10 days; seek legal advice.
